

SYRACUSE HARRIERS WIN BIG INTERCOLLEGIATE CROSS COUNTRY RUN

New York, Nov. 27.—(By the A. P.)—Syracuse university's well balanced team of hill-and-dale runners drove to brilliant victory today in the intercollegiate cross-country championship race over a snow-swept course of six miles at Van Cortlandt Park, Walter Higgins, Columbia, carried off individual honors after a spectacular duel from start to finish with Bob Hendrie, M. I. T., captain, and New England cross-country champion.

Orange Harriers out-footed twelve rival college teams and finished with a point score of 75, Yale finished with 103 and Massachusetts Institute of Technology, third with 113 points. Other varsity teams finished as follows:

Fourth, Columbia, 118; fifth, Cornell, 119; sixth, Maine, 145; seventh, Dartmouth, 158; eighth, Princeton, 169; ninth, Harvard, 182; tenth, Penn State, 211; eleventh, Pennsylvania, 227; twelfth, City College of New York, 238; thirteenth, New York university, 282.

Penn State captured both team and individual honors in the freshmen race. Walton E. Shipley and Kenneth Barclay, both of State, finished first and second, while their team's winning total was 40 points. Princeton's 1922 squad ran second, with 71 points, and Yale and Syracuse finished third and fourth, with 90 and 91 points respectively.

Syracuse's victory, while a surprise, was well-earned. Columbia and Princeton were regarded generally as favorites for team honors, but the evenly-balanced character of the field made the result one of the most uncertain in years.

Hendrie jumped into the lead at the start of the varsity race and held it for nearly five miles with Higgins, apparently content to let the M. I. T. star set the pace, running easily a few score yards behind. Going into the last mile Higgins made his challenge and Hendrie, after hanging on gamely for several hundred yards, fell back while the Columbia runner sprinted down the stretch to win by 45 yards. His time, 23 minutes, 21.8-10 seconds, was 1-3-10 seconds slower than the course record set a year ago by Robert E. Brown, of Cornell.

Homer Smith, Syracuse captain, finished third with a spectacular sprint that carried him past Dykeman, of Carnegie Tech; McLean, of Penn; and Douglas, of Yale, all of whom had led the Orange harrier until the last mile.

Four freshmen and five varsity entries failed to place in the scoring, either because of eleventh hour withdrawals or failure to finish the required five runners. C. N. Y., Dartmouth, Harvard and Princeton were eliminated in the freshmen contest, while Bates, Bowdoin, Carnegie Tech, Colby and Rutgers failed to score in the varsity race.

The first ten runners to finish in the varsity and freshmen races follow:

Varsity 6-mile run: Col. 32:21-10; Robert E. Hendrie, M. I. T. 32:32; Homer Smith, Syracuse 32:43; Harold E. Dykeman, Carn. 32:46; Elmer O. McLean, U. of P. 33:05; Mal K. Douglas, Yale, 33:13; James G. Young, Princeton, 33:15; Roger A. Lutz, Harvard, 33:18; M. Treadwell, Yale, 33:31; Elliott P. Case, Syracuse, 33:33; Freshman 3-mile run: W. Walton Shipley, Penn. 16:11-1-10; Kenneth Barclay, Penn. 16:12; John W. Mooney, U. of P. 16:23; A. S. Hillman, Maine, 16:24; Albert Zieger, Syracuse, 16:25; J. K. Voder, Princeton, 16:26; Robert Betts, Jr., Princeton, 16:41; G. T. Scoville, Yale, 16:43; Thomas Leeming, Jr. Princeton, 16:46; Robert G. Oldfield, Penn. 16:47; Freshman team scoring: Penn State, 40; Princeton, 71; Yale, 90; Syracuse, 91; Cornell, 118; Pennsylvania, 166; Maine, 177; M. I. T. 215; Rutgers, 232; N. Y. U., 245.

ALL-AMERICAN TEAMS TO PLAY SATURDAY

Columbus, Ohio, Nov. 27.—For the first time in the history of American football two teams composed entirely of men whose names have been mentioned in various all-American selections will play here next Saturday. The game, the proceeds of which will be given to local charities, will be played by teams representing the east and west respectively. The players, all of whom have completed their intercollegiate competition, will come here on the invitation of a local committee arranging for the game, it was announced.

The eastern All-Americans as one of the team will be known, will be composed of: McLaren, Pittsburgh; Casey, Harvard; Kew, Cornell; Drickson, W. and J. Mooney, Yale; Hogsett, Dartmouth; Ashbaugh, Brown; Munna, Cornell; West, Colgate; Peck, Pittsburgh; and Butler, Syracuse.

The western All-Americans will be: Roberts, Centre; McMillan, Centre; Eichenlaub, Notre Dame; Muller, California; Huffman, Ohio State; Trotter, Ohio State; Wick, Michigan; Nemesek, Ohio State; Wallace, Iowa; Solas, Ohio State; and Craggie, Illinois.

INTERCOLLEGIATE TRACK MEET ON MARCH 3

New York, Nov. 27.—The annual intercollegiate indoor track and field championship will be held in this city on Saturday, March 3, it was announced today at a meeting of the executive and advisory committees of the Intercollegiate Association of Amateur Athletes of America. Applications for the games were received from Buffalo, Boston, Philadelphia and Baltimore.

The committee also accepted as semi-intercollegiate records the time of J. A. Leoney, of Lafayette, when he won the final of the 100 yard dash at Cambridge, last May in 7-10-10 seconds and high running jumps of L. T.

SERVICE ELEVENTS TO MEET NEXT WEEK

Service football teams representing the Third Army and the U. S. Marines will meet on the gridiron at the new Baltimore stadium on Saturday, Dec. 2. It is estimated by Charles L. Ornstein, Athletic Director of the Third Corps Area, that some 50,000 persons will witness the struggle. The stadium has a seating capacity of 43,000 but the erection of temporary stands can make easily possible the accommodation of 60,000.

The Baltimore stadium was built by the city as a result of the service game held there a year ago, which broke all records for attendance at a sporting event in the biggest Maryland city. When the game came about that the game might be transferred to Philadelphia, the Baltimore authorities decided to build the stadium to remove the possibility of successful competition.

The contest between the Army Corps teams and the Marines has become a classic of the gridiron, second only to the battle between the cadet eleven of West Point and Annapolis. Preceding the game there will be a military parade in which 18,000 men will be in line. It is anticipated that the gathering of national figures at the game will include the Secretaries of War and Navy, the President, the Senate and House of Representatives.

Both teams are possessed of players who have had experience on college grids. With the Marines' eleven are Larson, captain of last year's Navy team; Goette of Ohio and Livermore of California, while the Third Corps eleven has Greene, captain at West Point; French, one of the most famous players who ever played the game, as quarterback; Vidali of West Point; Schabacker; Wicks, Flanagan, Seay, Van der Graft, all of the Army team at West Point; and Peck of Ohio. The Marine team is coached by Johnny Beckett, former assistant of Redek, and the Army eleven is coached by North, formerly of the Philadelphia Cricket Club.

AMERICAN GIRLS' HOCKEY MAY GO TO ENGLAND

Philadelphia, Nov. 27.—An American girls' hockey team will compete in England, next year, a member of one of the teams of the Philadelphia inter-club hockey league announced today. A meeting of the Women's National Hockey association will be held at the Philadelphia Cricket Club, December 1, when an invitation recently received from the All-English women's hockey association to send a team to Great Britain, probably will be taken up. An American invaded England two years ago and the British girls returned the courtesy last year.

The All-American team would be chosen from the players who will compete in the inter-city hockey matches starting here Thanksgiving day. Scores of girls representing colleges and clubs in various sections of the east and middle west, are entered.

BATTERY B WINS AGAIN FROM MARTIN VELVETMEN

Making a remarkable comeback from their overwhelming defeat by the Velvetmen last week, the Battery B infantry team Monday evening at the state armory, 18 to 3. The soldiers had no opposition at all and hit and ran bases at will. Jim Murphy, hurler for the Velvetmen was no puzzle to the soldiers, while Wilson, the soldier ace, had his opponents completely bewildered. The Velvetmen made a strong protest from time to time but to little avail.

Tonight the Battery plays the combat train in the first game of the local National Guard championship. The game starts at 8 o'clock.

TIGER MERMEN START WINTER PRACTICE

Princeton, N. J., Nov. 27.—Princeton university's swimming and water polo teams opened their winter practice today. Matches being at home except where otherwise designated.

PANCHO VILLA WINS DECISION OVER YOUNG MONTREAL AT BOSTON

Boston, Nov. 27.—Pancho Villa, American flyweight champion, went out of his class here tonight and defeated Young Montreal in ten rounds. Villa had an undoubted lead in eight rounds held Montreal even in another, and was only slightly behind in the one round in which the Providence fighter had any advantage.

Villa weighed 113 pounds and Montreal 116.

Montreal, a head taller than the little Villino, found himself at a loss to maintain any offensive or to establish a defense against the champion's rat-tat-tat of punches. Villa showered blows to head and body while Montreal was able only occasionally to land a scoring blow, and seldom if at all one that had not been robbed of its strength. In feinting as in fighting Villa was the master, and had the Providence boy busy trying to follow his changes of pace. He led offener than not, forcing Montreal from corner to corner and back again.

At the end Villa was smiling and fresh, while Montreal was plainly fatigued and almost dazed.

JOHNSON MAY SHIFT HIS UMPIRING STAFF

The signing of two new umpires by President Johnson of the American League is an indication that he intends to shake up the personnel of his staff.

The two new men signed are "Red" Ormsby and "Ducky" Holmes. Both men umpired in the Western League last year and gave excellent satisfaction in that circuit.

Ormsby is a product of the Chicago sandlots. He is a big, husky fellow, who gets his nickname because of the color of his locks. While he has only had a few years' experience in the minors he is regarded as one of the best tumbling prospects in the country.

Holmes, of course, is not the original "Ducky" as all players by the name of Holmes are known as "Ducky". Holmes was both major and minor league player. When his playing days were ended because of an injury he took to umpiring.

Holmes has worked in a number of minor leagues, among them being the American Association. A year ago he received a short trial in the National League, but he was not given a permanent position, refused to pay the purchase price asked and he lost his big chance.

President Heydler of the National League says there will be at least two new men on his staff. A number of umpires were tried out by him near the close of the season.

Good umpires appear to be much harder to land than any star ball players.

CARPENTIER UNDECIDED AS TO FUTURE PLANS

Georges Carpentier, still suffering from bad hands, is unable as yet to resume training, but there is much talk in sporting circles of a match between Georges and Joe Beckett of England as well as a great deal of speculation as to whether Carpentier will enter the competition opened by the Boxing Federation for the light heavyweight title made vacant by the death of "Battling" Siki.

It is thought that Georges is waiting to see what sporting opinion is likely to be regarding the ex-champion's entrance into the competition to regain his lost title, and also to get an idea as to the prospects of the tournament's success.

The sporting experts are agreed that no one worthy of meeting Carpentier for the title is in sight and that any match arranged with the available material would be a very poor display. At the same time they recognize the fact that Georges must box some one or retire.

A curious effect of the announcement of the competition is an increased reaction in favor of Siki. Some of the sporting writers are beginning to express the view that the Federation went rather fast and somewhat far in punishing the colored fighter for his unseemly behavior, these experts pointing out that if Siki lost his head he was helped to do so by the excessive attentions he received after his victory over Carpentier.

YALE SATISFIED WITH TAD JONES, SAY NEWS

New Haven, Nov. 27.—Complete satisfaction with the work of Tad Jones, both as a football coach and as an inspiration for clean athletics, is expressed in an editorial which will appear in the Yale News tomorrow. "Yale is absolutely satisfied with what Tad Jones is giving to Yale football and to Yale," the News says, "and she is most sanguine of the future."

The editorial is directed chiefly against hostile criticism in the press and censures interference with Jones' regime. "The team, the under-graduates, and the authorities connected with football are all in wanting him to stay," the News says.

The editorial further declares that the primary function of football is to develop a "fine, clean standard of character," and adds that Jones in every way measures up to Yale standards in this respect. The News also expresses complete satisfaction that Yale's football teams are rapidly developing into a "fine, clean standard of character," and adds that Jones and his coaches are doing a "fine job" in this respect.

CRIMSON TEAM LOSES SIX BY GRADUATION

Harvard will lose six members of the football team that played against Yale Saturday through graduation next June. This number may possibly be extended to seven by the addition of Eastman, although he is eligible to return next year. Of this number three started against Yale, the other three getting into the fray as substitutes.

Hubbard Probable Captain

Eskey Clarke, center, and Phil Hubbard, tackle, who started, will be graduated this term. Other retiring members used as substitutes yesterday are Vinton Chapin and Rocco Pitts, both backfield men. Charles Hubbard, guard, probably will be the new captain. Percy Jenkins and Dan Holder, ends, and Tubby Grew, who did not get in the game on account of an injury, are other veterans eligible for the captaincy. The election will be held within ten days.

Buell Ends Career

Captain Buell and George Owen played in their last Harvard tussle and ended their careers on the gridiron with the satisfaction of having played on a team that took Yale's measure during their three years of varsity football. The first year they made the varsity, Harvard triumphed 9 to 0; last year it won 19 to 3, the same score by which it won on Saturday.

Broadway Wins Again

Monday afternoon the Broadway Grammar school met and defeated the Broad street school by the score of 22 to 0. Williams, Shea, Hodge and Murphy featured for the winners and Henry B. for the losers.

The lineup for the winners was: Peterson and Mathews, ends; Fensley and Covey, tackles; Tiger and Krohn, guards; Yellen, center; Shea and Murphy, halfbacks; Williams, quarter; Hodge, fullback.

MURDERER SURRENDERS AND MAKES CONFESSION

Quincy, Mass., Nov. 27.—Albert Harvey, sought by police since last Friday night in connection with the death of Mrs. Ida Ancrer, who was found shot to death in the cellar of her home here, surrendered tonight. According to the police he made a full confession.

Field hockey has become a popular pastime with the school and college girls of the East.

Some of the Boston golf clubs have been giving turkeys as prizes in the windup tourneys of the season.

Illinois and Michigan gridders solved the "mystery team" as the Wisconsin football eleven had been called.

Sailor Friedman is to get his chance at the welterweight title in a clash with Champion Mickey Walker.

Prince Redie 212 1-4, the California trotter, has been added to Len McDonald's string of Grand Circuit performers.

Herb Treat has been a member of two world football eleven, Princeton 1922 and Boston College 1920.

The Chicago White Sox will show several pointers next spring, but have made fine records in the minor leagues.

Racing experts declare the Murphy stable has a great trotter in the 2-year-old sister of Rose Scott 2:03 1-2.

How prettier teeth came to millions

Have you noted the glistening teeth you see everywhere today? And the open smiles that show them? You can see that some great change has come in teeth-protecting methods. If you don't know what that change is, we urge you to make this test.

They combat the film

These people—millions of them—are now combating film. Film is that viscous coat you feel. It clings to teeth, enters crevices and stays. It absorbs stains, then forms dingy coats. Tartar is based on film.

Film also holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay. Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea.

These troubles had been constantly increasing. Beautiful teeth were less often seen than today. And all because no old-time tooth paste could effectively fight film.

The problem solved

Then dental science, after long research, found two film combatants. One acts to curdle film, one to remove it, and without any harmful scouring.

Able authorities proved these methods effective. Then dentists everywhere began to advise their use.

A new type tooth paste was created, based on modern research. The name is Pepsodent. Then these two great film combatants were embodied in it.

Five unique effects

Pepsodent brings five effects which old ways never brought. Modern research proves them all important.

It multiplies the alkalinity of the saliva. That is there to constantly neutralize the acids which cause decay. It multiplies the starch digestant in the saliva. That is there to digest starch deposits on teeth which may otherwise ferment and form acids.

Those are Nature's great tooth protecting agents. Pepsodent, with every use, gives them manifold effect.

Pepsodent also polishes the teeth so film less easily adheres.

Nearly all the world over Pepsodent is bringing a new era in teeth cleaning. Careful people of some fifty nations now employ it, largely by dental advice. Every dainty person now should know the benefits it brings.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear.

The results will amaze and delight you. Even one week will convince you. Do this for your family's sake. Cut out the coupon now.
